## Commissioner for Patents

In applicant's communication filed on December 1<sup>st</sup>, 2008 in response to the Restriction Requirement mailed on October 29<sup>th</sup>, 2008, applicant failed to fully reply to the Restriction Requirement. Applicant made a single Election of Species II, however, there were two groups in which applicant was required to elect from. In the First Group, there were 3 Species, and in the Second Group, there were 7 Species. It is unknown of which group the singular election was made. Since the response appears Bona Fide, applicant is granted a one month from the mailing on this notice of non-compliance to submit a corrected election response to the Restriction mailed on October 29<sup>th</sup>, 2008.
